DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 09/02/2008 has been entered.

Authorization for this examiner's amendment was given in a telephone interview with Andrew T. Harry (Reg. No. 56,959) on 9/25/2008.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The closest prior art of record, namely, Suzuki et al. (US Patent Application Publication 2002/0033964) does not disclose, teach or suggest, an image forming apparatus comprising an operation panel and hardware resources used for image formation including a scanner engine, an application, and a platform that exists between the application and the hardware resources, the platform including an OS and at least one control service to control an execution of each requested processing of the hardware resources according to a function call from the application, wherein interprocess communication is performed between the control service and the application, the application causing the image forming apparatus to function as: a display part configured to display a selection screen for selecting a transfer destination of scanned data from among a plurality of transfer destinations on the operation panel, as claimed in independent claim 1.

Art Unit: 2625

Independent claims 10, 19 and 20 recite the same or similar claimed limitations or analogous features as recited in independent claim 1, therefore, claims 10, 19 and 20 are allowable for the same or similar reasons as stated in independent claim 1 above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
